Volume 44, Issue 5

Dear friends:

This fall the lectionary gives us several weeks-worth of readings from the Letter of James. One of the more controversial books of the New Testament, it is one of my favorites. James is a brief but wide-ranging text filled with ethical pronouncements on how Christians should live, individually and as a community. Sometime when you have fifteen minutes to spare, read it. Basically, it is a common-sense message: the state of our heart and soul is reflected by our words and actions -- we must discipline and take responsibility for both. As with most texts of this nature it has to be taken in its entirety. It is hard to isolate and focus on one passage without losing the larger picture. James is concerned with the entire person, the Church as a whole.

Such a "big picture" approach has never been popular. Smaller details, catchy phrases, specialization, simple ideas, have always been an easier mode for most of us to manage. Over time we have become very proficient at it. Within my lifetime slogans were replaced by bumper stickers, which were replaced by sound bites, which have been replaced by Tweets. (At least with Twitter one is afforded 140 characters, which neither a sound bite nor a bumper sticker can accommodate). But don't we long for more, something more substantive spiritually, personally, socially, politically?

Would Jesus have used something like Twitter if it had been available? Perhaps. He did employ a popular communication method for his time – the parable – in order to get his message across. But just a brief survey of the teachings of Jesus shows that Twitter would probably not have worked well for him. Some significant and memorable sayings would fit into the 140 character limitations of a tweet – John 3:16, Matthew 6:24, Mark 12:17, Luke 8:21 come to mind. The Beatitudes (Matthew 5:3-11) could work if each "Blessed" were broken out in isolation, but that doesn't seem to be the way Jesus presented them. The Lord's Prayer (Matthew 6:9-13, the version most commonly used) does not make it; though the version in Luke 11:2-4 almost does. None of the parables (especially in Luke), none of the teachings on status (Matthew 18:1-4), anxiety (Luke 12:22-31), eternal life (John 6:35-40), how to set priorities (Matthew 22:37-40), discipleship (Luke 9:23-26) could be found on Jesus' Twitter feed.

I'm not trying to rail against technology. (I'm not sufficiently proficient with technology to do that). I am trying to make the case for doing the work that is required to have a substantive life spiritually, personally, socially, and politically. It takes time, and commitment, and a willingness to go beyond what is delivered to our screens. It takes building real relationships.

By and large, Jesus is not long-winded; his teachings are concise. Yet there is substance to them based on his desire to go beyond the surface with us to get to the hearts and minds God has given us. Do you get that from most of what comes across those little devices that command so much of our attention? If not, Jesus offers an alternative (Luke 11:9-10).

God bless,  
Fr. Alan

# Stewardship: 2019 Annual Giving Campaign

Dear Friends:

With the approach of the fall season, the St. Andrew's Annual Giving Campaign is now underway. This annual parish drive asking for your 2019 financial commitment to the Church provides more than 80% of revenue for all of St. Andrew's vital ministries and operations. Our core ministries – Worship & Music, Buildings & Grounds, Christian Formation, Outreach – depend on the support we provide through our pledges to the parish and the larger Church.

We hope that all of our parishioners will make a formal pledge, of any amount, to achieve a goal of \$900,000 to fund the ministry of St. Andrew's for the coming year.

If you have not pledged in the past, we hope that you will now. If you are currently supporting the church financially, we thank you and hope that you will consider increasing your pledge as much as you are able to help us reach our goal. It is important to recognize that St. Andrew's

financial health (and therefore our ministries' health) would be improved if the Annual Campaign pledge revenue was more in line with our operating costs.

We have much to be thankful for, celebrate and look forward to: more than 100 children and youth participating in formation activities, the Breakfast beginning its 37th year, a thriving music program, the upcoming construction of a new organ, and a dedicated staff of lay persons and clergy to support our many endeavors.

Over the past weeks you have heard from the Stewardship Committee and Fr. Alan in letters, and from different parishioners who have shared their personal reflections on stewardship and the importance of this campaign. It is now time for you to take part in this most special ministry, truly an unselfish act of Christian love and sacrifice.

Join us in making a commitment to St. Andrew's financial future on Pledge Sunday, October 21. We look forward

with hope, and thank you for your commitment to St. Andrew's, our shared spiritual home.

*David McCreadie and Chuck Carlson,*  
Stewardship Co-Chairs

## FAST FACTS about last year's campaign

The 2018 Annual Giving Campaign **raised \$815,000.**

**45%** of the parish's  
**640 households** pledged  
an **average of \$2,820.**

Of the **289 Pledges** there were:

**18 New Pledges** (6%)

**136 Increases** from 2017 (47%)

**43 Decreases** from 2017 (15%)

**92 No Change** from 2017 (32%)

**HAVE YOU ...**  
*remembered*  
*St. Andrew's*  
*in your will?*

It is important that every adult make a will providing for the distribution of their assets to the people, causes and institutions they love. If you would like to make a provision in your will to leave a bequest to St. Andrew's, the wording should read:

*I give to St. Andrew's Episcopal Church in Ann Arbor, Michigan the sum of \_\_\_\_ dollars or \_\_\_\_ percent of the rest, residue and remainder of my estate.*

A bequest to St. Andrew's is a way to ensure the continued ministry of this parish church in our community. The rector, vestry and wardens thank you for your consideration of such a gift.

# Church School Happenings

## The Mission

We are off to a wonderful Church School year, on a mission “to nurture the gift of faith as we share the Good News of Jesus Christ.” Many new and returning volunteers called to this ministry complete a staff of more than 25 devoted teachers, resolute in shaping faith formation and nurturing the gift of faith for our children and youth. Parents and parishioners are always welcome in the classroom - your presence does indeed fortify the learning collaboration we share as a faith community. Don't be shy – visit us soon!

## Fire Drill: Sunday, October 14

As part of National Fire Prevention Week, a Church School-wide Fire Drill is planned for Sunday, October 14 during classroom time. Teachers follow safety procedures leading the students through specified evacuation routes to a designated gathering location outside of the building. They return to the classrooms with an “all clear” notification.

## Church School Day & Open House: Sunday, October 21

Please join us for our annual Church School Open House on Sunday, October 21 following the 10:00 am YAC Liturgy service. This is a wonderful opportunity to learn more about the lessons, goals and format in each of the classes. Enjoy a cup of cider and yummy sweets as we share the happenings of our classrooms. Remember, the entire parish is invited and is a great show of support for our teaching teams as well as the children and youth.

## Welcome St. Andrew's Teachers!

We welcome the following teachers to the Church School team at St. Andrew's for the 2018-2019 year. More than volunteers, they are called to share their gifts, care and love, enriching the faith formation journey for our children and youth. Please take a moment to welcome our teachers, assistants, and childcare providers, lending your support and prayers.

## Helping Hands: Have you signed up?

We are grateful to the parents, families and friends that help in the classrooms throughout the year. There are so many ways to volunteer: provide snacks, one-time special events, share a special talent, help in the classroom, assist with preparing classroom materials at home, lead a service project, or new idea.

Please remember to select a few dates over this next church school year to volunteer on Sunday morning, assisting the teachers in the pre-school through 6th grade classrooms. It goes a long way in sharing something special with your child and also supports a rotation schedule so teachers can attend a full worship service.

Complete the volunteer form in the registration packet, ask the teacher or Carol as to how we can work together, or sign-up in the PS-6 classrooms. Thank you!

## YAC Liturgy

Sunday, October 21 at 8:00 and 10:00 am

The annual Church School Day brings a special event this year for our Young Adults in the Church known as the YAC Liturgy. They take on many of roles in the various ministries as part of the Liturgy at both the 8:00 and 10:00 am services.

This is an opportunity for the whole of the congregation to welcome our young adults at this milestone in their lives, taking their place as full adult members in the life of the parish. They are eager to share the adult skills they have learned over their four-year experience in the Journey to Adulthood program as well as present a sermon about their Pilgrimage to San Diego this past June.

As parishioners, our charge is to guide, support, mentor, and most importantly embrace these young adults as they seek to understand "who they are and who God has called them to be" in the next phase of their adult faith journey.

## Young Adults in the Church Confirmation Ceremony

November 18 at 10:00 am

Confirmation is the rite in which we express a mature commitment to Christ, and receive strength from the Holy Spirit through prayer and the laying on of hands by a bishop.

Book of Common Prayer, pg. 860

Young Adults in the Church complete their Confirmation Preparation classes the end of October. Their parents are invited to attend the final class on Sunday, October 28 when confirmands share their "reflection" essays.

We welcome family and friends to celebrate with them on Sunday, November 18 when the Bishop visits St. Andrew's as they take this next step in their faith journey, the Sacrament of Confirmation, sealing the covenant created in their Holy Baptism.

As you can see, the YAC group has had a particularly extensive fall schedule. Please acknowledge their hard work and adult stature in the Church with your presence and prayers. It is a culmination of their faith journey thus far as they prepare to publicly exercise responsibility, partnership and leadership in the life of the congregation and community.

We so appreciate all of our family, friends and parishioners who graciously share their gifts of time, talent and treasure with the Church School. Thank you... you each hold a special place in our hearts.

In faith, hope and love,

## Commemoration of the Faithful Departed

At all the weekday celebrations of the Holy Eucharist during the month of November, prayers will be offered for our departed loved ones.

If you would like to have someone remembered at one of these services, please print their names at right and return this form in the offering plate or to the church office (306 N. Division St., Ann Arbor, MI 48104) by **Sunday, October 28, 2018.**

While it is not required, if you would like to make a donation to the St. Andrew's Memorial Fund these gifts are greatly appreciated and assist in carrying our special projects around the church.
