BEHIND THE ALTAR

Did you know that Saint Andrew's only has one paid clergy?

Only our rector, The Rev. Alan Gibson, receives a salary.

The work of St. Andrew's would not be possible without generous gifts of time from our four volunteer clergy and all of the parishioners who serve as Leaders in Liturgy at each service.

At St. Andrew's, Worship and Music are cornerstones of parish life.

In church this morning you were given a service bulletin, sat in a pew and listened to the rector preach, heard the director of music play the organ while she conducted the choirs at the 10am service, took communion at the altar rail, and watched the acolytes process down the aisles at the end.

What it is that makes your experience meaningful is different for everyone, but this traditional approach to worship remains an integral part of our parish life.

A MINISTRY OF MUSIC

Did you know that we have more than 50 adults and children participating in 6 choirs?

Ranging from adults who've been in the choir more than 20 years to young children just learning to read music, our music ministry invites parishioners of all ages and abilities to join in making a joyful noise to the Lord.

Don't miss the first Music for Meditation concert on Sunday, October 7!

Without the continued financial support of the Annual Giving campaign, St. Andrew's would not be able to maintain its current level of worship and music.
